The game, originally launched in 1988, has been re-released in 1996, fully remastered with high resolution graphics, remixed and redesigned as a collection of high-end photo albums. Story: In the year 1866, the Mexican revolution is running its final stage: the French General Bazaine betrayed the men of Maximilian and fled Mexico to escape the advancing, victorious American forces. Maximilian was captured and sent into exile, while the revolutionary government of Juarez proclaimed a new republic: the bright future of America. However, in these heroic times, the man from the west is still very much alive: Fenimore Fillmore, a man who has fought the Civil War as part of a group of wild buffalo hunters. Fenimore knows more than a little about the battles that took place in the West, and is soon caught up in the biggest political scandal of the western territories: three valuable skulls of the Toltecs, the mysterious and sacred people of the pre-Columbian civilizations. The game's hero is an avid treasure hunter; he wants to reunite the Toltecs' three skulls and forge a new source of power. From the inside of his hotel room, he takes his new barmaid, a flirtatious woman, and is soon on a boat to who knows where. Not long after, the boat sinks, and Fenimore wakes up in the desert, with the three skulls, scattered around him. His name is Fenimore Fillmore, and he has nothing to do but to go looking for the three precious heads of the Toltecs. Don't believe me? Let's play! Fenimore Fillmore is a point & click adventure game, where you explore some half a dozen locations, interact with more than 30 unique characters, solve several hundreds of puzzles and guess what? You can even get married!Features: Adventure game with a comic mood. Four worlds to explore: a ghost town, an Indian village, a forts and a wilderness. More than forty characters to interact with and three different endings. More than two hundred items to use, all fully modelled and textured. Ten hints that help you along and five full-length movie endings. A funny and witty dialogues. Abundance of events and characters. What's new:

Airship Dragoon () is a Japanese action anime television series animated by Bee Train. The series premiered on television in Japan on Fuji Television on July 25, 2013. It later began airing on the MBS television network. It was originally scheduled to broadcast on the TV Tokyo television channel, but was replaced by Blood Blockade Battlefront and Wonderful Days. Bandai Entertainment licensed the anime in North America. Plot At the start of the series, the world is dominated by humans who live in cities. They are ruled over by "People", conglomerate groups who employ people who are only able to live in towers (airports) and who oversee their children in education, among many other things. The world is gradually falling into insanity to the point that gangs of mysterious beings of unknown origin called "Thugger"s, whose only real purpose is to manipulate events and confront catastrophes, begin to rise up around the world. Main characters Eri Izumi, later Zenya Izumi (エリ ゼリア, Eri Zeria), a high school student who one day wakes up in a large airship. He is found by Masaru Taniguchi, the pilot of a modern airship with the ability to fuse with other airships and the airship Dragoon. Masaru dubs him "Thunder" or "Thunder Boy" and transforms him into a Dragoon. A mysterious gang called The Thuggers are beginning to rise up in areas around the world. A new girl named Kaede Hanazawa is introduced as the airship armament of Masaru's airship and the Dragoon. Eri is considered a prodigy in high school, having excelled in his studies and athletics. He is a mute and his thoughts are shown only through his actions. He is a rather idealistic boy who hates violence and wants to live a peaceful life. On his first day as a Dragoon, he is kidnapped by the Thuggers and is forced to fight. He must fight many battles to save the world and become the New Dragoon. / Zenya Izumi The brother of Eri and the childhood friend of Kaede. As a child, he was sickly and weak. He is also a prodigy, to the point that he lived in an airship, counting cyberspace as his world. He is constantly compared to Kaede. Ten years prior to the series, his father was
