This is by far my most viewed video ever but i will make a few improvements to it as i think it can be better. The version that is featured in this video is an early access beta build. The final product in known to be a lot more complicated, beautiful, and rewarding. The problems and bugs in this build are because it's still in a very early build but it's a lot of fun. ----- Copyright: Site, Footage & Original Title: RiotTheDivider. published:18 Oct 2015 views:2397 It's time to separate the wheat from the chaff.
